

I am a K-LOVE financial supporter and listen on a daily basis. It is a positive influence in my life as well as to many others in the community. I like being able to listen to K-LOVE across the country when I travel. Families can listen to K-LOVE without being concerned that children (and adults) will hear words/language that is offensive. I would be lost if K-LOVE were replaced by an LPFM broadcaster. Please do not give LPFM priority over the FM translator service used by K-LOVE. Thank you
